About Parenting Academy:

The Parenting Academy offers the most advanced and successful parent skills-building programs available. Expert, accredited parenting coaches apply research-proven strategies to the unique, real-life situations in your family. Parenting Academy provides judgment-free, confidential support to help you parent at your best! With a combined experience of over 50 years of professional parent coaching in Whatcom County, coaches work alongside you to help you achieve the goals you have set for your family, your children and yourself.
